Thanksgiving service

The Upland Union Thanksgiving Day Service will be held on Thursday, Nov. 26, at 10 a.m. at the First Mennonite Church, 379 N. Campus, Upland.

Sponsored by the Upland Ministerial Association, the service will include a Thanksgiving message by the Reverend Al Engle, pastor of the San Antonio Heights Baptist Church.

The Scripture Reading and Prayer will be led by Reverend Kenneth Rusdahl, pastor of Grace Lutheran Church. Music will be provided by the First Nazarene and Brethren in Christ Churches. The organist is Lucille Keeler and host pastor, the Reverend James Walner.

An offering for community ministries of the Red Cross and Salvation Army will be received.

The public is invited to join in this service of worship on Thanksgiving Day.

Businessmen offer jobs

Upland employers are prepared to hire at least 60 of the "hard core" disadvantaged they indicated Thursday, Nov. 12.

The job offers came following a luncheon at the Arbor Restaurant hosted by the Chamber of Commerce to explain to area businessmen about the National Alliance of Businessman's program which the chamber is backing in this area.

More than 50 representatives of local industries listened, and 15 came forward with a variety of job offers after hearing Howard Cordell, an industrial personnel director, talk about JOBS (Job Opportunities in Business Sector).

Cordell indicated that these businesses would be contacted within the next few weeks and hopefully, the program would get underway right after the first of the year.

Disadvantaged persons are those with problems of poverty, education, age, alcoholism, physical handicaps, etc., that hinder easy job acquisition.

Early copy deadlines

Because we want to wish everyone a very Happy Thanksgiving, next week the Upland News and Cucamonga Times will reach your home a day early.

All copy should be in by 5 p.m. Thursday Nov. 19, in order to be contained in our Thanksgiving issue of Wednesday, Nov. 25.

Turkey shoot winners

Winners of the first Turkey Shoot for Thanksgiving turkeys in Upland have been announced.

The winners are Dottie Fayles, Mrs. Dale Wensel, James McCoy, Mrs. L.H. Banta, Eta Mae Evans, Jean Porter, Harry Dirks.

The next drawing for turkeys will be held tomorrow. Winners will be notified by mail.

Browsing allowed

Students at Valencia School are browsing through 400 books this week, determining which they would like to buy.

The Book Fair, held during Children's Book Week, will last through Friday, Nov. 20. It began Nov. 18 and is sponsored and manned by the Valencia PTA as a service to the school children.

The Book Fair is offering selections priced from 49 cents to \$5, and is being held in the K-2 room at the school. Tonight, Nov. 19, at 6:30 p.m. the PTA is holding an Ice Cream Social until 7:30 at the school.

At 7:30 p.m., Mrs. Judy Pike of San Bernardino, co-author of the children's book, "Moons & Meer" will address assembled parents. Mrs. Pike wrote her book in association with Dr. Warren Hollister, professor of medieval history. They are currently preparing a new book to be published this fall.

Pennies for pines asked

Mayor George Gibson has issued a proclamation setting aside the week of Nov. 22-28 as Pennies for Pines Week in Upland and urging participation in reseeded the blackened watershed area north of Upland in this manner.

The proclamation reads: "Be it herewith proclaimed that the week of Nov. 22 through 28, 1970 shall be known as 'Pennies for Pines Week' in the City of Upland.

"The Conservation Committee of the Upland Woman's Club has set forth this week as one to be dedicated to raising funds to assist in reseeded burned mountains to the north of the City of Upland. This group has advised that one penny will buy one pine seedling.

"Now, therefore, I, George M. Gibson, Mayor of the City of Upland, urge all citizens of Upland to be aware of this opportunity by which they can, through a small contribution, assist in restoring the vegetation to the watershed area north of our city thereby increasing the beauty of the mountains and at the same time correct damages done during the recent disastrous fire to this area."

Caborca trip nears

Preparations are being completed for the Thanksgiving caravan to Caborca, Upland's Sister City, by members of the Swinging Joes Square Dance group.

The organization, composed of members of St. Joseph's Catholic Church, will include more than 40 men, women and children. They plan to make the trek during the Thanksgiving holiday and will be representing Upland in Caborca under the auspices of the Town Affiliation Association.

Thomas Lucero, Jr., president of the Town Affiliation Association, said the group will be dancing on Saturday night in the town square.

Career mementos

Connie Hagen, wife of Frank W. Hagen, Jr., looks over some of the items she has collected during 24 years as a U.S. diplomat's wife. Animal heads and skins are her husband's

safari trophies from some of the countries to which he has been posted. He is now in Saigon.

Connie Hagen adapts to Upland

Connie Hagen has been a citizen of the United States for more than 20 years. She is establishing her first home in the continental United States in Upland and trying to determine if life here is the same, or quite different, from what she has been led to believe.

Connie is the wife of Frank W. Hagen, Jr., a career officer with the U.S. State Department now stationed as vice consul with the U.S. Embassy in Saigon, Viet Nam. They met and married in her native Philippines 24 years ago and have shared their married life in 13 posts around the world, beginning with the Philippines.

Now that Frank has been posted to Saigon, Connie is setting up her home in Upland and has enrolled her children in the local schools. She has joined the Upland Woman's Club, sponsored by Mrs. Bertis Gauney, actively participates in her favorite sport of bowling and is trying to discover what it means to be "Americanized".

"I am always asked, why Upland?" Connie says. "We're here because of Las Vegas." She explained that while they were in Athens she and Frank heard of Las Vegas, the gambling mecca, and decided they would like to see it. In Las Vegas they saw an ad for lots in Moonridge in Big Bear, and bought one. From Athens they went to Cambodia and then Frank wanted to sell the Big Bear lot.

"I wasted a lot of tears saying no," Connie relates. But, after dispensing with their Big Bear lot, they came through Upland, saw and bought their present home above Foothill Boulevard. Three days later they left for Ethiopia. This was in 1967. Now she is finally able to live here and is throwing herself into active participation in the town. This is not unusual for the tiny, vivacious woman who is the daughter of a Philippine beauty queen and could easily be one herself.

"Being a diplomat's wife, I learned to help out in the community where we are.

"I have been looking forward to living in the United States, my adopted country," Connie says. "My impression was that the U.S. is very wealthy and everyone here is wealthy with nice homes, two or three cars, washing machines and a dryer, a deep freeze and refrigerator, a boat and mink coat, until somebody came along and told me about a credit card."

She said she still finds it difficult to believe that there is poverty in the United States.

So far, Connie has found Americans "friendly and helpful" and she thinks American women "work hard".

"The women here are definitely involved," Connie states. "They are independent and determined. They are beautiful people, well groomed and figure conscious.

"But I disagree wholeheartedly with some who go out shopping in curlers and baggy pants."

In fashions Connie prefers, in the current controversy, the mid-knee hemline.

"This is a year of choice," she said. "One can wear any length, but this mini . . . some women are knock-kneed but they wear the mini because it is in fashion.

"I always wore skirts the length I wanted. I always wanted something a little different from anybody. I don't think you have to imitate others. You can be anything. It is just important that you act your age."

One of her favorite activities, which she has been able to pursue throughout the world is bowling. She has won numerous awards and titles and since moving to Upland, keeps in form at the Thunderbird Lanes in Ontario.

"They have been very nice to me there," says Connie. She bowls with the "Kings and Queens" and has found local bowlers ready to welcome her. She also appreciates the help given her at the bowl by Rick Davis, assistant manager of the Lanes.

Connie is one of 12 children. Her father stowed away in a ship bound for the USA from Manila, made his fortune here and returned to the Philippines. She was educated in Daet, Camarines Norte in Luzon, an area famous for its typhoons, iron and gold mines. Connie was quite concerned during the recent typhoons which hit the Philippines because the area of destruction was quite close to where her family still lives. She is planning a trip there later this month with her husband, after joining him in Saigon. After visiting her family, the couple will return to Upland for the Christmas holidays with their family.

The children include Roberta, 20, born in the Philippines, who is a student at Chaffey College; Cindy, 18, born in Vienna, Austria, also at Chaffey; Heidi, 13, born in Frankfurt Germany and now an "A" student at Upland Junior High; Deborah, 7, born in Bangkok, Thailand and Frank W. Hagen III, 6, born in Singapore, Malaysia, both students at Foothill Knolls.

All of the children have dual citizenship and, Connie says, each wants to return to the place of his birth before deciding which citizenship he wants to keep after reaching maturity.

Among the highlights of her nearly quarter century of diplomatic life were her introduction to Ethiopian Emperor Haile Selassie during the opening of the American School there and her introduction to British Princess Margaret at a tea in Trinidad which Connie describes as being "very British".

Since 1946 they have served in Manila, in the Philippines; Vienna, Austria; Salzburg, Austria; Trinidad, British West Indies; Frankfurt Germany; Athens, Greece; Phnom Penh, Cambodia; Singapore, Malaysia; Addis Ababa, Ethiopia; Asmara, Ethiopia; Brasilia, Brazil; Port-of-Spain, Trinidad, B.W.I.

Saigon is the first post to which Frank has been assigned that Connie has not gone along. She misses him, worries about him, but keeps busy with the children and local activities.

Out of my mind

BY
JENNY KIRKPATRICK
Have you
ever wondered?

Have you ever wondered why certain expressions are like they are? For instance, peachy-keen? Why not apple keen or orange keen? And why, top banana, not top plum? The apple seems to have top billing in sayings. Is it because Adam was the "apple of Eve's eye"? Then there is, upset the apple cart, apple pie order, and the apple

that keeps the doctor away. No one knows for sure the why of these expressions; they seemed to have grown like Topsy, no rhyme and no reason.

Try my recipe

Speaking of apples, as a gimmick to get me to subscribe to the American Home Magazine, they sent me a cute little miniature magazine with my very own recipe. You guessed it, it's for apple cobbler.

I will not guarantee it as I have not prepared it,

but if you like apples, it sounds good.

MRS. KIRKPATRICK'S
VERY OWN
APPLE COBBLER

Heat oven to 400.
Combine: 3/4 cup sugar, 2 Tbs. flour, 1/2 tsp. cinnamon, 1/4 tsp. salt. Mix with 5 cups sliced apples. Sprinkle with 1/4 cup water. Dot with 1 Tbs. butter. Cover with foil; bake 15 min. Sift 1 cup flour, 1 Tbs. sugar, 1-1/2 tsp. baking powder and 1/2 tsp. salt. Cut in 3 Tbs. shortening; stir in 1/2 cup milk.

Drop by spoonfuls on hot apples.
Bake uncovered 25-35 min. Makes 6 servings.

The eternal question

The eternal question these days is, are you ready for Christmas? Who is, ever? It's too busy a time to be ready for anything. But, not being able to push back the calendar, the Day is just around the corner. As a matter of fact, only 35 shopping days until Christmas.

Round-up auction

Lighting up the candles in preparation for the first annual Roundup Auction and Steak Dinner sponsored by the Women of St. Mark's Episcopal Church, Upland, is John Davidson, president of the senior high Markers. Watching are Mrs. Eric Noble, in charge of dinner reservations (985-5560) and Mrs. Joe H. Glasson, general chairman. The event will be held Saturday, Nov. 21. Dinner is at 6 p.m. and the auction, which is open to the public, is slated for 8 p.m.

Lucas, Mrs. Floyd Patterson, Mrs. Josephine Roth, Mrs. Thomas Stewart and Mrs. Robert Young.

Monsignor Michael J. O'Connor, dean of the Ontario Deanery, Diocesan Council of Catholic Women, was introduced and former chaplain, Father Louis E. DelVecchio, gave the benediction.

Out of town guests included Mrs. Frank Rosiak, the state regent, and Mrs. Elton Loveland, state chairman of charities. Program chairman was Mrs. Herbert Minor.

Weight Watchers

MONTCLAIR - Weight Watchers in the area are winning their battle of the bulge, according to the lecturers in charge.

Blossom Steinberg, who handles a Tuesday evening class at Montclair, and Geraldine Kronich, Wednesday morning lecturer, said many members join at this time to help them get through the holiday spread.

Open to anyone who wishes to lose 10 or more pounds, these classes are held at the Holiday Motor Lodge, 9191 Central, Montclair. For information about these and the Ontario-Upland meetings, call 984-3111.

Junior Women

DIAMOND BAR - Mrs. Gil Pagan, president of the Diamond Bar Junior Woman's Club will be leading a group of women from her club to the San Gabriel Valley District Junior Woman's Club meeting. The meeting will be held Monday, Nov. 23 at 8 p.m. at the Covina Womens Club House.

Mrs. Clinton Gorsuch, district president, will be presiding over the meeting, which will in part be an annual sewing and knitting contest.

Members of each club are eligible to enter articles made by them, in various categories.

Foot 'N Fiddle

On Saturday, Nov. 21, the Foot 'N Fiddle Square

dancing club will hold its Thanksgiving Dance. Tom Dunagan will be the caller and special refreshments will be served.

The dance will be held at the La Verne Community Center, 1550 Bonita, from 8 to 11:30 p.m.

Walnut Women's

WALNUT - The home of Mrs. Jerome Scritsmier was the setting for the Walnut Valley Womens Club membership tea presented Nov. 10.

The goal of a membership tea is to become acquainted with prospective members and to inform them of the plans, goals, and activities of the club. These include civic improvements, philanthropic charities and social activities of the Walnut Valley Womens Club.

Further information regarding the club may be obtained by calling Mrs. Tom Elliott at 595-5201 or Mrs. Jude Wear at 595-9500.

Senior Citizens

SAN DIMAS - Senior Citizens will meet in regular weekly session, Tuesday, Nov. 24, at 11 a.m. at the San Dimas Civic Center.

Ripon Society

The Ripon Society, a research oriented group of Republicans, has published a California pre-election analysis in the November issue of the national magazine, the Forum.

At 7 p.m. Thursday, Nov. 19, the society will meet in the Pomona Public Library conference room to discuss the November elections and to continue its workshop on the voting records of California state legislators on environmental pollution.

Inter Nos

SAN DIMAS - Inter Nos Club will meet at 2 p.m. on Tuesday, Nov. 24, in the Fireside Room at Ramona Avenue Christian Church.

Hostesses will be Mrs. Cyril Campbell, Mrs. Edith McLean and Mrs. Mae Neagle.

Sugar Palace image changes

UPLAND -- The Sugar Palace is changing its image.

Opened this summer to cater especially to the teenage and college trade, insufficient participation by the youth caused the management to discontinue the youth center and programs which had been established.

On Oct. 17, the Sugar Palace began moving toward a family-style dinnerhouse and coffee shop, according to Lt. Col. Norman Ansara who owns and operates the business at 820 W. Foothill Blvd.

To promote the new image, and underscore the fine food to be offered, Ansara plans a six-course turkey or baked ham Thanksgiving dinner. The dinner, complete with table linen and elegantly served, will be priced at a modest \$1.75 for adults and \$1.25 for children under 12.

"We want people to come in and see what we can do for them," Ansara says. Reservations must be made for the dinner by calling (714) 982-2919.

Rock trucks

UPLAND-ALTA LOMA -- These two communities are embroiled in a controversy over gravel trucks.

The problem began when Euclid Avenue residents complained about the noise of the trucks traveling south from rock-crushing plants in upper Upland.

The trucks were diverted to travel east on 19th Street through Alta Loma and down north-south streets to the San Bernardino freeway.

Alta Lomans then complained. Then they asked San Bernardino County Supervisor Daniel D. Mikesell for help and Monday he instructed the county road department to post "all streets between the Cucamonga Wash and Haven Avenue from 19th Street to 16th Street to limit them to vehicles of 5,000 pounds or less."

"The streets can't handle this heavy traffic, and the safety hazard is greatly multiplied when these big trucks go through a residential area," Mikesell said.

Mikesell indicated that nothing could be done about the trucks traveling along 19th Street "at this time" because it is a state highway. Meanwhile, in Upland, the City Council is holding an adjourned meeting Monday, Nov. 23, at 7 p.m. in the council chambers to consider the gravel trucks and traffic. Rock plant operators, landowners and concerned citizens will be on hand to discuss the problem.

Gambit ...

By Bobbe Monk

Mr. and Mrs. Douglas Black and Mr. and Mrs. Fred Rickel are giving thanks this week and not waiting until Thanksgiving.

Both couples have cabins in Smiley Park, that small community of approximately 110 cabins down hill from Running Springs which was right in the path of the Bear fire. In that small community at least 50 homes were lost, Mrs. Black said. Theirs were spared.

Of fires, I think we have had more than enough.

I'M READY to give my first accolade ... to the "Student Work Services," a group of college students who band together to do various odd jobs and thereby gain funds. What I am lauding them for is their next project ... READABLE HOUSE NUMBERS!

The group has received the permission of the Upland City Council to paint house numbers on curbs throughout the city beginning Monday. As a long-time reporter, editor and photographer who has developed squinty eyes from trying to read illegible or non-existent house numbers day or night, and a sour disposition from resultant wrong destinations -- Thank you, thank you, thank you, thank you!

A suggestion for your next project, the Alta Loma-Cucamonga-Etiwanda area. I cover that one, too!

MY SECOND ACCOLADE goes to the many junior and senior high school and college students who wore out shoe leather and got burned and aching feet from their 20-mile walk for spastics last week. A fine group of kids, a good and worthy project.

I'M PACKING my housecar this week and will be "unavailable for comment" from Wednesday, Nov. 24 through Sunday, Nov. 28 due to being in Mexico. My husband, small daughter and self are joining the caravan to Caborca that the Swinging Joes square dance club of St. Joseph Catholic Church, Upland, is taking to Upland's Sister City. The trip, under the auspices of the Town Affiliation Association, will culminate with square dancing in Caborca's town center Saturday night, Nov. 27.

I'm particularly delighted to be going because, even though I am a native Californian, I've never before had the opportunity to visit south of the border.

IF YOU HAVEN'T seen "Mame" that production of the San Bernardino Civic Light Opera Association now playing in the "eastern" city starring Gisele McKenzie, get your tickets quick. It ends this weekend and shouldn't be missed. Gisele is great!

Only .9 miles to go

Nearly back to the starting point of their 20-mile Walk for Spastics, held last week, are three Pioneer Junior High School girls, from left Marth Alexis, Michi Sato and Susan Wilby. Adding a star to Susan's badge is Mrs. George Shanks of Alta Loma who manned the checkpoint at the corner of Campus and 9th Street in Upland as Mrs. Shank's daughter, Debbie, grins approval. The march route began in Upland and toured through Montclair and Ontario then back to the Memorial Park start and finish line.

Mariannettes drill team seeks

ALTA LOMA-CUCAMONGA -- The newly-formed Alta Loma-Cucamonga Mariannettes is a division of the well known Montclair Mariannettes, who in 1967 were rated as one of the top 10 drill teams in the state of California.

The Alta Loma-Cucamonga Mariannettes are well on their way, having won third place at the Banning Stage Coach Days parade held in September and third place at the city of Westchester parade held in October. The group's last performance was the 20th annual Veteran's Day parade held at Long Beach on Nov. 11. They will also be participating in several Christmas parades throughout southern California in December.

The group's Majorette is 13-year-old Susan Long who is attending the eighth grade at Cucamonga Junior High School. Susan is an outstanding baton twirler in this district. She is the title holder for the 1970 Southern California Miss Majorette. Susan recently took top honors winning the first place award for majorettes at the Westchester parade Susan was not only competing against junior high girls, but against high school band majorettes as well. Susan has been twirling a baton for only two years and has already won nearly 100 awards for her ability. She is training for assistant director of the Mariannettes and has proved her ability to lead as well as direct a group.

Brewers are Farmers' Best Friends

Diamonds may still rank as a girl's best friend, but talk to the modern agri-businessman in the states of Washington, Oregon and California, and he'll likely tell you that the brewer rates as a pretty good buddy of the farmer.

It's all because an expanding West Coast brewing industry last year produced more than 15 million barrels of beer and in so doing purchased more than \$35 million worth of barley, hops, rice and other agricultural products used in the brewing industry.

In addition to this ready cash market, the brewer-farmer relationship takes on even added meaning when the brewer salvages the spent grain and returns it to the farmer in the form of livestock and poultry feed. Brewing and agriculture -- two of the West's basic industries -- thus work together for the benefit of each.

Alta Loma High School's Ecology Club has jumped on the reforestation bandwagon and is soliciting funds for replanting trees in the burned-over areas of the San Gabriel Mountains. Heading the drive are Joan Aguilar, head of the committee, Dave Dearman and Frankie DeJoseph, president of the Ecology Club. The Cucamonga-Alta Loma Junior Woman's Club is spearheading the drive in the elementary schools and the high school asked to participate too, Junior's spokesmen said.

Parks Committee asks increased powers

UPLAND -- This city's Parks and Recreation Committee has presented a seven-point list of goals to the city council, topped by the request that the Parks and Recreation Ordinance be revised to grant more scope to the committee.

The parks committee asked the council Monday night that "the Parks and Recreation Committee shall have referred to it for review and recommendation all matters relating to parks and recreation involving the City of Upland, specifically including the budget."

Presentation of the goals was made by the sub-committee on goals of the Parks and Recreation Committee.

Harold Cook, chairman of the P and R committee told the council that although the parks and recreation budget is \$200,000 yearly, his committee can only make recommendations on 20 per cent of it, or \$40,000.

Cook feels the ordinance should be "restructured" he told the Upland News. He said he felt the committee should have a say in the acquisition, maintenance and plans for parks and that the city "needs a new study of total parks and recreation needs" in order to "update their thinking."

The other goals listed were:

--Undertake a review, in its entirety, of the park and recreational needs of the City of Upland.

--In addition to completion of presently planned neighborhood parksites, acquire and develop a major park-site in the northwest quadrant, the accessory facilities as needed.

--Develop a city-wide recreational program for both sexes and all ages, fully integrated with those of elementary, high school and college systems.

--Replace the camphor trees on Euclid Avenue with a suitable species.

--Motivate aggressive action by city management to continually improve the levels of maintenance of all city park facilities.

--Accelerate the development and implementation of the Parks and Recreation Program.

--Fully utilize opportunities presented by the City of Upland under the Community Services Tax Law of 1951 and the Quimby Act.

SupraCote announces new embossing line

CUCAMONGA -- A new high-speed, high-precision embossing line capable of embossing coated aluminum strip at speeds up to 300 ft. per minute has been installed by SupraCote, Reliance Steel & Aluminum Co.'s coil coating division in Cucamonga.

Frank D. O'Neill, SupraCote general manager, said it provides a major addition to the plant's processing capabilities, making it possible to take raw coiled aluminum strip, custom coat, slit and emboss it -- all in one continuing operation.

Embossed aluminum, he said, is being used increasingly in home, school and commercial construction, appliance manufacture, interior decoration and numerous other applications.

The hydraulically-operated machine, built by Modern Engraving and Machine Co., Hillside, N.J., is used exclusively with aluminum. It accommodates thicknesses .008 in. to .050 in., widths up to 48 in., in coils weighing up to 8,000 lbs. It cost more than \$75,000 O'Neill said.

Among its major features, he noted, are: matched hardened steel embossing rolls; push-button hydraulic controls, permitting the operator to raise or lower hydraulic rams at any intermediate position; pressure range from 10 tons

to 250 tons to accommodate varied metal thicknesses and embossing patterns; virtually effortless one-man operation.

SupraCote started production in December 1968 in a new \$3 million facility, 11200 Arrow Highway, equipped with one of the world's largest coil coating lines.

It pre-coats steel and aluminum sheet in coils up to 60 in. wide, .008 in. to .075 in. thick, at speeds up to 300 ft. per minute. Its daily production capacity is one million lbs.

The line applies coatings of virtually all types including alkyds, acrylics, silicones, vinyls, vinyl organosols and plastisols, fluorocarbons among others.

\$3.4 million flood aid sought from OEP

The San Bernardino County Board of Supervisors has made an official request for assistance from the Office of Emergency Preparedness to immediately undertake 24 emergency projects, valued at more than \$3.4 million, to cope with the threat of floods from the loss of watershed due to the Myers fire.

Supervisor Daniel D. Mikesell said these projects would provide excavated temporary debris basins and excavated channels across the 16 miles of burned watershed from Upland to the

Fontana area. The facilities would augment or expand existing works of the County Flood Control District.

The second district Supervisor said two projects have already been initiated by the U. S. Army Corps of Engineers in the San Antonio Heights area above Upland and in the Deer Creek area north of Chaffey College. In San Antonio Heights, Match Corporation contractors have already begun a \$160,000 project to enlarge through excavation the existing Frankish

Canyon and Marble Canyon debris basins.

In the Deer Creek area north of Chaffey College, contractor E. L. Yeager's forces have been employed by the Army Corps of Engineers in a \$200,000 project which will include the construction of two deflector groins and 6,000 feet of levee to supplement existing district levees for the protection of the Alta Loma, Cucamonga and Chaffey College areas, all exposed to the destroyed watersheds of the San Gabriel Mountains.

The work is initiated

under advance allotment of O.E.P. funds. The remaining immediate emergency projects are awaiting further emergency allotments.

Uplander aids frog experiment

UPLAND -- Bill Kearney, Upland resident, played an important role this week in a space experiment to learn more about the balance mechanism of the inner ear.

Results of the experiment could help astronauts stay healthy in space and could lead to better cures for all types of motion sickness caused by inner ear problems on earth.

The National Aeronautics and Space Administration experiment involved orbiting two frogs in a satellite from Wallops Island, Virginia. The otoliths, or inner ear mechanisms, of the frogs were instrumented so that their reaction to weightlessness in space could be transmitted electrically back to recorders at the NASA Goddard facility in Greenbelt, Maryland. Kearney, an engineer at Space General in El Monte where the spacecraft was built for NASA, was the ship's inspector. He monitored its construction and gave it its last inspection before takeoff from Wallops Island.

Frogs were selected for the study because the otolith sensor system in their inner ear is similar to that of man.

Otoliths are dustlike particles in the inner ear responsible for detecting gravity and assuring the balance of the body.

The experiment is the first one capable of telling scientists what kind of changes take place in the inner ear during weightlessness and whether it disappears spontaneously or becomes more severe in long missions.

Airman Miller, who studied radar detection and warning systems, is being assigned to Ft. Lee, Va.

A 1968 graduate of Fairborn High School, the airman attended Wright State University, Dayton, Ohio.

His wife Karen, is the daughter of Mr. and Mrs. L. W. Archibald, Upland.

Youth Activities

Ambassadors 4-H

UPLAND - When the Ambassadors 4-H Club met on Nov. 12, they discovered they were the winners of two table setting awards at the Los Angeles County Fair, held in September.

The award for the two settings was \$10.

Reports were given by Lois Adlers, Anne Trinella, Rachel Kester, Cindy Kester and Helen Newman.

A film is scheduled at the next meeting and a tour is slated during the Christmas vacation.

Upland News, Cucamonga Times

Up in Upland

Although Halloween was fairly peaceful, two Upland mothers reported hazards for their children from trick-or-treat gifts. One child received a piece of candy which contained a one-half inch nail. The second mother said she found an injector razor blade in a box of raisins her child had received.

As Elwin Alder, city manager, pointed out, in both cases when the children returned from trick-or-treating their parents inspected the treats piece by piece before allowing the children to eat them.

Thus, potential injury was avoided. Vandalism, which is rampant in society today, cropped up again Oct. 29 when 22 trees were totally destroyed in Upland's Magnolia Park. Estimated loss to the city is \$1,500. The trees will be replaced as soon as they are available, according to the city.

The public works department is getting ready for the annual over-seeding of the Euclid Avenue lawn. The lawn is being cut and when the clippings are removed, the new seed will be spread. Additionally, flowers, lawn and trees around the Madonna at Euclid and Foothill will be replanted as soon as the construction work in that area is completed.

DB Nursery

DIAMOND BAR - Diamond Bar Community Nursery School mothers attended a toy, gifts and gadgets party Monday, Nov. 16 at the nursery school.

Mrs. Barbara Stull of Rowland Heights was demonstrator for the party. A wide selection of toys for all ages, as well as games and gifts for men and women are available. There are also many gifts for the home. Decorative Christmas items are also featured.

There is still time to do your Christmas shopping from "Gifts 'N Gadgets" as orders are being taken by telephone through Saturday, Nov. 21. Call Mrs. Stull at 213-965-1788 or ways and means chairman, Mrs. Carolyn Keel, 714-595-4597. A catalog of merchandise is available at the school, 2249 S. Morning canyon Road, Diamond Bar, or by calling Mrs. Stull.

All money earned from the party will be used for operational expenses of the non-profit nursery school.

Jayceettes sale

LA VERNE - The La Verne Jayceettes will hold their annual Thanksgiving bake sale on Saturday, Nov. 21, in front of Alpha Beta Market in La Verne.

Specialties will be homemade pies, breads and other holiday treats.

PV Accountants

The Pomona Valley Chapter of the National Association of Accountants will hold their monthly meeting at Griswold's Restaurant in Claremont.

Under the leadership of Chapter President George Sidel, the accountants will hear K. E. McMullen, vice president of Lockheed Aircraft Company, speak on "The Accounting Manager's Role in Management."

Social hour will be at 6:30 p.m., followed by dinner at 7 p.m., with the meeting scheduled to begin at 8 p.m.

For further information, call Lynn C. Wendt, 621-3129.

W.E. Democrats

UPLAND - The West End Democratic Club is holding its annual rummage sale today through Saturday (Nov. 19-21) in the old court building at the northwest corner of 9th Avenue and First Avenue.

Hours for the sale are 9 a.m. to 7 p.m. daily. Members may still contribute rummage for the sale by bringing it to the sale location or by calling Mrs. Mae Stover at Democratic headquarters, 985-5318, to arrange for pick-up.

Volunteers who have a few hours available are urged to assist at the sale. Contact Mrs. Stover at the headquarters number to volunteer.

Xi Gamma Kappa

UPLAND - A giant pumpkin with a happy Jack-o-lantern smile greeted members of Xi Gamma Kappa Chapter, Beta Sigma Phi when they gathered at the Keith Krumwiede home in Upland for their October social.

The Halloween costume party featured games, dancing and a mid-night buffet served by the social chairman and her committee.

After greeting "Jack" the guests were escorted by Mrs. Krumwiede, dressed as a sour dough miner, through an obstacle course into the "unknown". Survivors of the trip spent the rest of the evening sharing the fun.

Plans for the annual breakfast with Santa will be open for discussion.

There will be an initiation ceremony during the meeting for the Mmes. Leslie Graham, Harry Cartwright, Moses Zakarian, James Reeves and Edward Roberts.

Guest speaker for the evening will be Mrs. Marjorie Thompson, Mt. San Antonio College instructor, giving a slide presentation of the nursery school project that Mrs. Thompson is involved with at the College.

Refreshments will be served following the business portion of the meeting.

'Cause for Thanksgiving'

Preparing food for the "first Thanksgiving" are Upland Woman's Club members, from left, the Mmes. Ralph Almquist, Mary Jacobs and Robert Barry. The one-act play "Cause for Gratitude", will be presented Nov. 23 at 1 p.m. at the clubhouse by the Drama Section under the direction of Mrs. B.J. Helmick. Others taking part will be the Mmes. Thomas Kincaid, George Mahon, John Gately and Anthony Trilevsky.

NOTICE INVITING BIDS FOR \$480,000.00 BONDS OF ALTA LOMA SCHOOL DISTRICT OF SAN BERNARDINO COUNTY, CALIFORNIA. NOTICE IS HEREBY GIVEN that sealed proposals for the purchase of \$480,000.00 principal amount of bonds of Alta Loma School District of San Bernardino County, California, will be received by the Board of Supervisors at the Office of the Clerk of said Board in his office in the County Civic Building, 175 West Fifth Street, San Bernardino, California, up to the hour of 11:00 o'clock a.m. on November 30, 1970. Said bonds will be dated December 1, 1970, and will bear

LEGAL

Interest at a rate not to exceed 7% per annum to be determined upon the sale of said bonds. Said interest shall be payable annually for the first year after the date of said bonds and semiannually thereafter. Said bonds and the interest thereon are payable in lawful money of the United States of America at the office of the Treasurer-Tax Collector of said County. Said bonds will be designated "Election 1970, Series 1". Said bonds will be 96 in number, of the denomination of \$5,000.00 each, and will be numbered 1 to 96, inclusive, and payable as follows:

Said bonds will be sold for cash only and for not less than par and accrued interest to the date of delivery. Each bid must state that the bidder offers par and accrued interest to the date of delivery, and state separately the premium, if any, offered for said bonds, and the rate of interest, not exceeding 7% per annum, said bonds shall bear, which rate shall be a multiple of one-quarter of one percent. Bids will be compared on the basis of net interest cost, which shall be determined by computing the total amount of interest which the district would be required to pay from the date of the bonds to the respective maturity dates thereof at the rate specified in the bid and by deducting therefrom any premium bid.
Each bid shall be for the entire amount of said bonds and at a single rate of interest.
At least one of the signatures on said bonds will be manually affixed.
At any time before the bonds are tendered for delivery, the successful bidder may disaffirm and withdraw the proposal if the interest received by private holders from bonds of the same type and character shall be declared to be taxable income under present federal income tax laws, either by a ruling of the Bureau of Internal Revenue or by a decision of any federal court, or shall be declared taxable or be required to be taken into account in computing any federal income taxes by the terms of any federal income

tax law enacted subsequent to the date of this notice. The opinion of O'Melveny & Myers, Los Angeles, California, approving the validity of said bonds, will be furnished to the successful bidder without cost to the bidder. At the time of payment for and delivery of said bonds, the successful bidder will be furnished with a certificate that there is no litigation pending affecting the validity of the bonds. A copy of said opinion certified by the County Treasurer-Tax Collector by his facsimile signature will be printed on the back of each bond at the expense of the successful bidder if requested in his bid.

A certified or cashier's check for a sum not less than four percent (4%) of the par value of said bonds, payable to the order of the Treasurer-Tax Collector of San Bernardino County must accompany each bid as a guaranty that the bidder, if successful, will accept and pay for said bonds in accordance with the terms of his bid. The proceeds of the check accompanying the accepted bid shall be applied on the purchase price, or, if such bid is accepted but not performed, shall be retained by the County Treasurer-Tax Collector for the benefit of the district, unless such failure of performance is caused by any act or omission of said county, said district, or an officer of either of them. Checks accompanying unaccepted bids will be returned promptly. Said bonds will be delivered at the office of the County

Treasurer-Tax Collector of said County.

The Board of Supervisors reserves the right to reject any and all bids or to waive any irregularity or informality in any bid.

The assessed value of the taxable property within said district as shown on the equalized assessment roll for 1970-1971 is \$16,452,296.00, and the total amount of bonds of said district previously issued and now outstanding is \$340,000.00.

By order of the Board of Supervisors of San Bernardino County, California, adopted October 26, 1970.

instructed by James Ferguson, has been very active this year.

The class is separated into several committees. On different days of the week these groups meet and make plans for their own projects.

One committee in particular is planning a film to be shown to junior high and high school students. The filming will start in early spring, and it is planned to be based on geometry in nature.

The members of this group are Frances DeJoseph, Virginia Michaels, Margie Scott and Rick Stofa.

Road Runner banner

Student Council members at Grace Miller School, La Verne, are selling inscribed Road Runner pennant and sweat shirts among the students to raise money for its annual gift to the school. Here Karen Southall, right, buys pennant from Stephany Husted, student body secretary, while Hope Prock, treasurer, left, looks on.

School news

Magnolia PTA

UPLAND - Supt. John Rodriguez of the Upland School District will speak to the Magnolia School PTA, Nov. 19, at 7:30 p.m. He will answer the inquiries of concerned parents who will have an opportunity to pre-submit questions.

Grade one room mothers will be hostesses and a baby sitter will be available in the library.

Ekstrand club

SAN DIMAS -- Dr. James Johnson, superintendent of Bonita Unified School District, will be the guest speaker at the Fred Ekstrand Home and School Club meeting on Thursday, Nov. 19, in the multi-purpose room at 7:30 p.m.

The 4th grade classes of Mrs. Myrtle Judy, Mrs. Marian Jones, and Mr. Dan Hafer will present a vocal program of songs relating to holiday events of the calendar year.

Babysitting will be provided in the kindergarten rooms.

Paper drive

SAN DIMAS -- Gladstone School will hold its yearly paper drive Thursday, Nov. 19, from 7 to 11 a.m. Those wishing to donate papers to the drive should have them at the school during these hours.

For free pick-up, call (213) 331-2435 or 966-9624.

Grace Miller PTA

LA VERNE - "Magic Moments" is the theme for the Grace Miller PTA meeting, to be held Tuesday, Nov. 24, at 7:30 p.m.

There will be a reading and language demonstration, with a choral unison reading by fourth grade students, led by Mrs. Nora Eckstein.

A film on creative writing will be shown, with a discussion to follow.

Student council officers will be introduced, and refreshments will be served by second and third grade room mothers. Baby sitting will be provided.

Lehigh School

MONTCLAIR - The PTA of Lehigh Elementary School, will hold its monthly public meeting Thursday, Nov. 19, at 7:30 p.m. in Room K-1.

An A to Z Spelling Bee will be supervised by fourth grade teachers, Mrs. Elaine Criswell and Joanne Sabatini and reading specialist, Mrs. Blanche Kennedy. A first place certificate will be awarded.

After the program, refreshments will be served in the school library.

Moreno School

MONTCLAIR - Moreno PTA will hold their monthly meeting Thursday, Nov. 19, at 7:30 p.m. The program on Drug Abuse will be entitled "What makes Sonny turn on." It will be presented by Sally Meltzer and Mrs. Connie Bedi.

Church of Nazarene

Dr. Samuel Young

UPLAND - Pastor Sullivan of the Upland Church of the Nazarene, 120 W.

Ninth, has announced a special Spiritual Enrichment Week for November 15 through 22nd.

Features for the week will include preaching services with Dr. Samuel Young, general superintendent of the denomination as guest speaker.

Dr. Samuel Young has devoted his life to the cause of scriptural holiness as a leader in the Church of the Nazarene. He has served the denomination since 1948 in its highest elective position as a general superintendent. His offices are at the international center of the denomination at Kansas City, Mo.

Dr. Young formerly

was president of Eastern Nazarene College in Quincy, Mass. Prior to that post, he was superintendent of the New England District in the church.

Another aspect of the week will include a special prayer revival time each morning at the church from 6 to 7 o'clock, under the direction of the pastor, at which time people are encouraged to stop at the church for prayer. Also, a giant visitation outreach program is planned for Saturday morning the week members of the church will be in the community calling in homes to the presentation of the Gospel of Christ.

Faith Festival

LA VERNE - A three-day Festival of Faith and Thanksgiving will be held over the weekend, Nov. 20-22, at the Fellowship Church of the Brethren, 2282 3rd St., featuring Anna B. Mow of Roanoke, Va., as speaker.

The meetings will be held at 7 p.m. on Friday, with Mrs. James Pickinpaugh as soloist; on Saturday at 10 a.m., when Juanita Lapp will play a violin solo, at 2 p.m.; when Carol Medbery and Kathy Josselyn will play a flute duet, and at 7 p.m., when Gerry Pence will sing a solo.

The Children's Choir will sing Sunday, when meetings will be held at 10:45 a.m. and 6 p.m. The evening session will be climaxed with a Love

Feast and Communion. Other features of the festival include question and answer periods, fellowship periods after meetings, a book table featuring Mrs. Mow's books and other devotional materials, and lodging for guests upon request (Please contact the church office, 593-5052).

Mrs. Mow and her husband, Baxter, are well-known members of the Church of the Brethren who served 17 years as missionaries in India. Following their return in 1940, Mrs. Mow joined the faculty of Bethany Theological Seminary. Retiring in 1958, she was free to hold retreats, Ashrams and other meetings in the United States

and Mexico. She has also written six books.

Christian Science

New trends in communication, religion, and community relations were explored at an international conference in Boston attended by the Christian Science Committee on Publication for Southern California, Robert G. Walker.

"Tremendous changes are taking place," Walker said, "and religious insights are helping people in many lands to respond effectively to the forces of change."

A local conference was also held Nov. 14 at the

branch church in Hollywood attended by some 200 Assistants in this activity representing all the churches of this denomination in Southern California. Mrs. Lorraine Allen represented the Christian Science Church of Ontario.

Brethren Church

LA VERNE - Members of the Church of the Brethren are invited to bring to the Thanksgiving service, Sunday morning at 11, a symbol of what God's gifts have enabled them to produce. The Rev. Leland Wilson will deliver the sermon.

A Thanksgiving offer-

ing will be taken to augment the Brotherhood Fund.

The Carillon III Bell Choir of the First Presbyterian Church of Covina, directed by Jo Davison, will present numbers during the service.

Altar Society

Our Lady of Lourdes Altar Society will have a bake sale Nov. 21 and 22 following each mass at Our Lady of Lourdes Catholic Church, Montclair. Mrs. John McKinney is chairman of the sale and proceeds are to be used for the pre-seminary fund.

St. John's project

Women of St. John's Episcopal Church of La Verne prepare items for a rummage sale at the new church on Wheeler Road. From left are Mrs. Ron Green, Mrs. Luigi DeBernardo and Mrs. Ken Allen. The sale will be held Saturday, Nov. 21, between 9 and 4 p.m. Offered will be clothing, pictures, bedding, china, crystal and bric-a-brac.

Concert Association presents pianist

Thomas Uchtmann, concert pianist, will appear in recital here, in Gardiner Spring Auditorium at Chaffey High School in Ontario as the second event of the Pomona Valley Community Concert Association's 1970-71 season on Sunday, Nov. 22, at 3:15 p.m.

A young pianist of German-Hungarian descent, Uchtmann was born and raised in Trenton, New Jersey and is a graduate of the Juilliard School of Music in New York where he held a scholarship.

His teacher was the Russian-born Joseph Raieff.

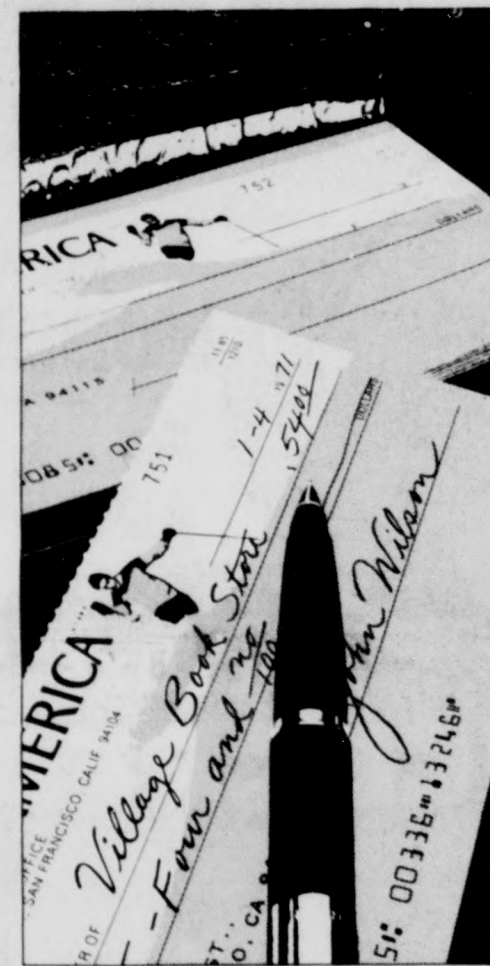

Uchtmann's early years read like the proverbial young boy making good. Becoming interested in music at an early age, he made his public debut when twelve years old, playing Beethoven's "Tempest" sonata.

Persons interested in attending the concert may contact the association's campaign secretary, Mrs. Stuart Brockway, 986-5789.

The remaining concerts in the series will be The Robert DeCormier Folk Singers, 8:30 p.m., Sunday, Feb. 28; and Shigemi Matsumoto, soprano, 8:15 p.m., Saturday, March 20.

Instant Cash helps put an end to the bouncing check!

You don't write a bouncing check on purpose. But sometimes it happens. (Maybe you didn't put in a deposit when you thought you did. Or, maybe you slipped up on addition in your check register.) And there you are, faced with a statement that says you've made an overdraft. It can be irritating. And, sometimes, even embarrassing.

This is why Bank of America put together some overdraft insurance called Instant Cash Checking Account Service. Once you've applied and your credit's been approved, you have an automatic guarantee against overdrafts up to the amount authorized under the terms of the agreement. Your checks won't bounce and you'll save yourself a lot of irritation and frustration.

Sound good? It is. Drop by your nearest Bank of America branch for more information about a Personal Choice Checking Account combined with Instant Cash. It's just one of the many ways we can help you with the business of living.

Several State Park campgrounds are filled up by reservations for the November 26, 27, 28 weekend, the Department of Parks and Recreation reported today, but there still are a lot of parks to camp in that weekend.

For the Thanksgiving weekend only, Anza-Borrego Desert State Park in San Diego and Imperial Counties is completely booked, but this is a heavily used winter time park. There are openings the rest of the time, however.

All the campsites with trailer hookups are reserved at Morro Bay State Park and Pismo State Beach in San Luis Obispo County and San Clemente State Beach in Orange County, but there still is space in the regular campgrounds.

Reservations would be a good idea at San Clemente, the Department observed, but there usually is room at Morro Bay and Pismo.

The Department advised that families looking for a State Park campsite over Thanksgiving, or during the fall and winter, have a wide variety of choices, but cautioned that there is no guarantee about the weather. The Mendocino Coast usually is beautiful in Novem-

Weekend recreation reservations needed

ber, provided it is not raining, and such parks as MacKerricher, Russian Gulch and Van Damme are all good bets. For desert campers, Heart Bar in San Bernardino County and Joshua Trees in Los Angeles County usually have plenty of room. For beach campers, a campsite usually is available at New Brighton State Beach, Santa Cruz County, Leo Carillo

State Beach in Los Angeles County, San Elijo State Beach, San Diego County; or Atascadero State Beach, San Luis Obispo County.

In the Central Valley, attractive camping spots are at Caswell Memorial State Park, San Joaquin County; Turlock Lake State Recreation Area, Stanislaus County; in the newly completed Loafer Creek Campground

at Lake Oroville State Recreation Area in Butte County, or at Folsom Lake State Recreation Area in Butte County, or at Folsom Lake State Recreation Area in Placer, El Dorado, and Sacramento Counties.

For the rest of the year, reservations may be made at headquarters, P.O. Box 2390, Sacramento 95811.

Mosquitoes

A Chaffey College professor is exploring the possibility of eliminating mosquitoes through the use of sound rather than DDT and other pesticides.

Attempting to validate the theory that mosquitoes can be trapped by a duplication of their sound and so preclude one widespread use of pesticides, the research is an attempt to use a sonar trap. Calhoun has received a \$2000 grant for continued research from the National Science Foundation.

Calico Rompers

The Calico Rompers square dance club has planned a dance Fri., Nov. 20, at Serrano Jr. High, 4725 San Jose, Montclair, Art Miller will call; time is 8-11 p.m.

New officers for the coming year are president Mr. and Mrs. Kessler; vice president, Mr. and Mrs. Babcock; secretary, Mr. and Mrs. Wheeler, and treasurer, Mr. and Mrs. Wilhelm. They will be installed at the Christmas dance, Dec. 18, to be held at Monte Vista School, corner Orchard and Monte Vista, Montclair. Caller that night will be Nate Bliss.

McKEON APARTMENT HOMES

It's not surprising. Take a look at these beautiful 2-bedroom apartments yourself and you'll find it hard to believe that you can buy one for just \$15,500. To make it even easier to afford, you pay only \$500 down and \$121.58* a month. That modest amount buys you an apartment with double-thick walls, and nobody above or below you. It has a built-in electric kitchen. Air-conditioning. Wall-to-Wall carpeting. And your choice of decorator colors. At Villa La Verne, you can enjoy all the benefits of home ownership and none of the drawbacks. You get to deduct taxes and interest from your income tax. But you don't have to worry about exterior maintenance and gardening, because it's all done for you. While you relax by the pool. Each Manor House has four apartments, with garages for all and a laundry room. You have your choice of four floor plans. But you won't have that choice for long, the way they're selling now. With everything they have going for them, it's not surprising they're going fast. So better drive out right away, anytime between 10 a.m. and 8 p.m.

Calendar time

Area Girl Scouts remind residents that it's once again time for the annual Girl Scout calendar sale. From left Cadette Girl Scout Brenda Erhard, Upland; Senior Girl Scout Pam Bales, Ontario; Brownie Tracy Wade, Montclair and Junior Girl Scout Susan Link, Alta Loma.

GS calendars

It's that time of year again when ringing doorbells will be opened to green-capped girls with smiling faces and armloads of calendars. Friday, Nov. 20, will be the kickoff date for the annual Girl Scout Calendar Sale which will see thousands of Brownies, Juniors, Cadettes and Senior Girl Scouts participating from troops throughout the Spanish Trails Council.

Inflation has hit the Girl Scouts along with everyone else, raising the price

of the calendars to 60 cents this year. The picturesque calendars are not only an asset to any home, office or work area, but the proceeds support many worthwhile troop projects.

Profits from the sale are used exclusively by individual troops for activities planned in each. Some troops purchase equipment or finance outings. Others use their calendar funds to pay for service projects which reach out to many areas of their communities.

Contact Lenses

... the amazing new way to see.

About 8 million smart Americans now enjoy the benefits of contact lenses and statistics show that 8 out of 10 who now wear glasses can become successful wearers. If you're interested to learn if they are or aren't for you, we'll make this guarantee: If you and your doctor believe that you can wear contacts we'll make the lenses and assist you during your adaptation period. If necessary we'll re-make or modify your lenses as required on the advice of the practitioner. Then if it's decided that you can't wear contacts we'll make you a pair of regular glasses, a pair of outdoor prescription glasses and refund any difference in the cost.

How much should they cost?

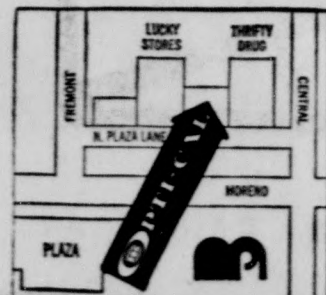

State law prohibits "any reference to price" in the advertising of optical materials and services. If you want to know you must request the information.

FOOTHILL & EUCLID-UPLAND-INDIAN HILL & ARROW HWY. - CLAREMONT 156 E. BONITA - SAN DIMAS

Youngster sustains eye injury

MONTCLAIR -- John Overstreet will long remember last week's Friday the 13th as a very unlucky day for him.

The Montclair youngster is now convalescing at Pomona Valley Community Hospital from an eye injury he received from a dart game last Friday. While playing darts with a friend, he accidentally stepped into the path of an oncoming dart. The injury produced a razor-like cut across his left eye.

The injury would be a difficult one to cope with for any thirteen-year-old youngster, but John is an avid athlete and one of Montclair's "most promising."

A student at Serrano Junior High, he is a former Little League player for Bruce Allyn Plumbing. He has received a trophy for the most outstanding diver in Montclair's summer diving team. Up until last Friday, John was playing football for a Pop Warner team.

According to John's parents, Mr. and Mrs. R. L. Overstreet, "Cards and letters from his friends would be greatly appreciated. He needs all the encouragement his friends can give him."

John's room number is Pediatrics--Room 246-D Pomona Valley Community Hospital, Pomona.

Park reservations

State Parks and Recreation Director William Penn Mott Jr. today revealed the details of the new, computerized reservation system provided by Ticketron, Inc. for tours at Hearst San Simeon State Historic Park.

Starting Monday, Nov. 23, Mott disclosed, persons wishing to tour Hearst Castle, the fabulous home of the late William Randolph Hearst, will be able to walk up to any one of the nearly 230 Ticketron terminals in Northern or Southern California and make direct, paid, confirmed reservations. The only cost for this service, in addition to the regular charge for Hearst Castle tours, will be 35 cents per ticket.

The company will also provide a reservation service for state park campgrounds beginning in January 1971, Mott added. The details will be announced later.

Hearst tour Reservations obtained through a Ticketron terminal may be made right up to the day before a tour is desired, or for as far ahead as 60 days in advance. Reservations requested by mail may also be made for as far ahead as 60 days, but not less than ten days in advance to allow time for processing the request and for mailing the confirmation.

Youth activities

Brownie

Troop 1101

Brownie Girl Scouts of Troop 1101, Spanish Trails Council, held an investiture ceremony at the Howard Elementary School recently.

Nine new members had fulfilled the requirements, and received their Brownie and World Association pins at that time.

Joining the youth organization for the first time were: Debra Bostic, Katherine Cole, Teri Cottrell, Lynele Gardner, Candi Ginge, Cynthia Jaso, Jean Obermeyer, Nancy Perez and Laurie Rose. Troop leader Mrs. Joe Cottrell also presented Brownie Monica Garcia with her 1 year membership star during the ceremony.

Robin Hood to be staged

Robin Hood is an adventure that has fascinated the young in heart throughout the centuries. The story is woven around the theme "Good will triumph over evil."

Case Alegre Auxiliary of Children's Home Society of California will present Robin Hood on Saturday, Nov. 21, at 1 p.m. in Gardiner W. Spring Auditorium, Chaffey High School, Ontario.

Robin Hood is the story of a young man who formed a band of "Merry Men" to help preserve the kingdom of King Richard, As Prince John plots to overthrow his brother, the audience frequently holds the fate of Robin Hood in their hands as the villagers decide his destiny.

Casa Alegre is fortunate to be able to bring this one-time-only production to the West End. "Robin Hood" is directed and produced by Burnett Ferguson. The production has been acclaimed by thousands in the showings at U.C.L.A. and the Los Angeles Art Museum.

Mrs. Tim Dolan and Mrs. Richard Kates are co-chairmen in charge of bringing the production here. They are assisted by committee chairmen, Mmes. B. A. Nickka, schools and P.T.A.'s; Courtney Howell and John Conley, groups and troops; Pascal Goodrich, organizations; Bill Donaldson, member sales; David Elling, business; Jeffrey Fort, publicity.

The entire membership of Casa Alegre is involved in this presentation as a community service.

Children's Home Society of California is California's only statewide adoption agency. It has provided over 32,000 adoptive services

throughout California since 1891. CHS serves homeless children, natural parents and couples seeking to adopt. Proceeds from the play will go to support and further these services.

Admission price is \$1 for children and adults. Tickets will be available at the auditorium box office.

The young in heart

Robin Hood reads a resolution of Casa Alegre Auxiliary of Children's Home Society of California, to present the play "Robin Hood," on Saturday, Nov. 21, at 1 p.m., at the Chaffey High School Auditorium, Ontario. Shown listening are Kim Miralst, Lisa Newton and Terry Jeffris.

Entering CIF

Bonita SAL league champs

BY JIM LOUGH

LA VERNE -- The line formed at 4:30, and they brought blankets, box lunches, and cushions. The wait would be 3-1/2 hours but the spirits were high, and anticipation was keen. The mood was one of more and more uncertainty as the hour drew nearer. But when the game was over and their beloved Bonita Bearcats had not only won their second consecutive San Antonio League crown but had unveiled a fierce defense to shut out the Pomona Red Devils 23-0, most of those vowed with

a straight face that they knew all along what the outcome would be.

When the Red Devils voted Allen Carter the most popular man on the field and gave him their undivided attention throughout the game, they caused anguish among Bonita's faithful, but when you are fortunate enough to have players the caliber of those that represent the Bearcats, you alter your game plan to take advantage of the situation. Larry Zeno did just that. And QB Ray Anderson and the others who were not watched like Carter,

combined to pummel Pomona.

Ray Anderson probed the Red Devil's secondary pass defenses and discovered that one of his sure fingered receivers, Dave Shamblin, was unencumbered by defenders. He struck Shamblin with two devastating TD shots for 60 and 32 yards, and that in itself was more than enough after the Bearcat defense, who had not found it totally necessary earlier in the season to get riled up, literally throttled everything the Red Devils were able to try

and mount that remotely resembled an attack. This turned the tables on the visitors who had zipped three straight foes in as many weeks.

Allen Carter left a familiar calling card with nine seconds remaining in the first half when he penetrated from the Devils' one.

Sergio Leal, the Bearcats' new kicking sensation, chipped in with a field goal and 2 PAT's.

Bonita will face Rancho Alamitos (Garden Grove) Saturday in the first round of CIF playoffs.

MA Warner Classic

Mothers of La Verne-San Dimas Pop Warner Football League players practice up on their tactics for the Ma Warner Classic, to be held Saturday, Nov. 21, at 4:30 p.m. at the Bonita High School field. Quarterback Gayle Gaddie prepares to receive the ball from Center Jackie Kernan, while Anne Hoke, a Back, prepares for action.

Cowboys win 13-12

DIAMOND BAR -- The DB Jr. Pee Wee Cowboys again came from behind to beat the Redondo Beach Dolphins 12-6 Saturday, Nov. 14. Augie Pasillas caught two Pat Flaherty passes and raced 50 and 60 yds. to score two last half TD's giving the Jr. Pee Wees their fifth win in the last 6 games. Good solid defense and the timely passes proved too much for the Dolphins. Mitch Stephen, Mike Barlow, and Tim Burkett carried the offensive load behind the blocking of Tony Marquez, Steve Ziegler, Ron Duval, Paul Villarreal, Mark Buchan-

an, Lindsay O'Neil, and Parsillas. Rick Holman led the defense, anchored by Ronny Seyb, Buchanan, Greg Slomons, Mike Lindley, Mike Flaherty, Steven Shook, Burkett, and Duval. Stephen made several good hard tackles in the secondary, as did Barlow and Villarreal.

Following the game, a trophy was presented to the winners. The Jr. Pee Wees wish to thank the young cheerleaders for their support as well as all the parents who let them know they had some fans.

Ramona takes Walnut, Harding

LA VERNE - Ramona's eighth grade football team swept to their fifth and sixth victories of the season, with a 20-6 win over Walnut, and a 20-0 victory over Harding Military Academy.

The victory over Walnut featured the passing of Harold Drake and the fine end play of John Herman and Paul Willman.

Outstanding blocking and defensive work by Augustine Aguilera, Alan Rojas, Walter Walker, and Brad Frick were shown in the victory.

Long runs by David Cazares and Marshall Ansley plus the defensive play of Richard Lober, Ross Thompson, and Mide Soliz featured the Raiders victory over Harding.

You are invited to come in or call for a courtesy treatment and photometric figure analysis without obligation and from the analysis we will tell you where you are going to lose, how long it will take and exactly how many treatments you need. This week only, treatments at all Pat Walker Salons are being offered for only \$1.00.

With Pat Walker's new computerized method, you can reduce quickly, easily and effortlessly without rigid diet or strenuous exercise, without disrobing and in complete privacy. You will lose where you need to lose and enjoy doing it. You have nothing to lose but pounds and inches with Pat Walker's Figure Perfection Programs for men and women.

For a FREE TRIAL TREATMENT and figure analysis without obligation, come in or phone to reserve your appointment. Hours are 8 AM to 9 PM Monday through Friday; Saturdays, 9 AM to 2 PM.

"I LOST 43 INCHES AND 23 POUNDS REDUCING WITH PAT WALKER. MY HUSBAND STARTED HIS REDUCING PROGRAM LAST WEEK AND FEELS LIKE A NEW MAN"

says Evelyn Riggie of Orange County

This photo of Evelyn Riggie and Pat Walker was taken after Mrs. Riggie had lost 23 pounds and 43 inches. Read what Mrs. Riggie says about her Pat Walker program: I had tried so many ways to reduce... pills, gyms and other methods. When I read an advertisement of Pat Walker's, I was convinced that the Pat Walker method was the solution to my overweight problem. With my personalized Pat Walker program, I lost 5 1/2 inches from my abdomen; 5 inches from my hips and more than 23 pounds, with an overall inch loss of 43 inches. Not only do I look better, but I feel like a more vital person. The results have been great, and I wish to thank everyone at Pat Walker for being so friendly and helpful. It is so important to my family

and to me to keep up with today's fashion trends, but most of all, to keep in shape.

With my new Pat Walker figure, my husband says I look younger than my daughters. He may be exaggerating a bit, but I love every word of it. I think his appreciation for the way I look now is wonderful and I'm really enjoying the compliments and attention. I feel delightfully alive and young again!

I am so pleased that my husband, Ed, has started his Pat Walker reducing program. Now he too can have the same wonderful benefits of this remarkable reducing program. He says that he is just feeling great since he started, and I know he is, because he seems so full of energy now and so relaxed.

MEN NOW HAVE EQUAL RIGHTS WITH WOMEN... AT PAT WALKER'S, SAYS BOB HAAS OF WHITTIER

Bob Haas, writer, artist, businessman... man on the move. Running a business today — any business, is a headache. In the advertising business it is always more so because of the inevitable deadlines; the weeks of research connected with producing a piece of literature or a brochure; the client's demands on one's time... all the many pressures that running a business creates... plus the strain that creativity places on an individual. Recently, Bob Haas states, "I saw the newspaper ad announcing PAT WALKER'S FOR MEN and being by nature decisive... and also leaning a bit toward the heavy side these days, I decided to try it. I was really impressed. I never thought that a reducing treatment so effective could be so effortless, and so relaxing. I went into the Pat Walker salon after an especially tiring day — a rough schedule of photographic assignments, with the usual number of daily emergencies... and I was really 'up tight.' My wife and I read the Pat Walker ads that said 'no strenuous exercises.' I still thought I would see a roomful of people and a lot of equipment. Imagine my surprise and pleasure when I entered the luxurious salon, was escorted to a private room, relaxed on the exclusive, scientifically designed Pat Walker unit and felt all my tensions slipping away. I just loosened my tie, took off my shoes and all but fell asleep during my treatment. I was positively purring when I finished and after a day like I had, I went into that salon positively grumpy and nearly lost a good client because I had snapped at him. And here I was, contented as a baby, completely relaxed and happy. Believe me, my wife is going down for her first treatment tomorrow. I want her to share the same fantastic experience and the same effortless reducing program!"

Valentino film fare

On Friday, Nov. 20, at 7:30 p.m., the West Covina Public Library, at 1601 W. West Covina Parkway, will present an all-Rudolph Valentino film program.

"The Legend of Valentino" presents a film biography of one of the silent screen's greatest stars. The film contains rare footage of some of Valentino's earlier films, as well as scenes from some of his most famous screen roles. In addition to the biography, the library will present a condensed version of Valentino's last film, "Son of the Sheik." This film is a screen adventure epic of the old school, combining action, spectacle and comedy.

The program will run approximately 1 and 1/2 hours. For further information on the program, contact the Audio-Visual Department of the West Covina Public Library at 962-3541.

16mm films, such as those on the above program and many others like them, may be borrowed from the West Covina Public Library. For further information on how to become a registered film patron, contact the Audio-Visual Department of the West Covina Public Library.

Cal Poly has openings

Dr. Robert C. Kramer, president of California State Polytechnic College, Kellogg-Voorhis, Pomona, announced that the college has openings for students during its winter and spring quarters.

Dr. Kramer said Cal Poly can admit students for the winter quarter which begins January 4, 1971 and for the spring quarter which begins March 29, 1971. Classes from 7 a.m. to 10 p.m.

In making his announcement of the enrollment openings, Kramer said Cal Poly will accept applications for winter quarter classes from now until Friday, Nov. 20. Applications for admission to the spring quarter classes will be accepted from Tuesday, Dec. 15 until Saturday, Feb. 20.

Cal Poly, Pomona will accept applications for admission in all fields of study with the exception of environmental design. Cal Poly offers over 40 majors leading to the bachelor of science and bachelor of arts degree. The college also offers academic and professional graduate degrees in biological sciences, in business administration and urban planning.

Cal Poly is accredited by the Western Association of Schools and Colleges, and its curricula have received independent accreditation from the Engineers' Council for Professional Development and the American Society of Landscape Architects.

Montclair participates in 'Walk'

MONTCLAIR -- Last week hundreds of West End youth joined together in a "Walk for Spastics," with proceeds earmarked for the Cypress Orthopedic School.

Montclair youngsters were no exceptions. Serrano Junior High School was represented by an eager group of 50 students.

The enthusiastic teenagers spent the week previous to the walk finding sponsors to donate to charity for their efforts on this 20-mile walk.

While five or ten miles was the distance expected from the majority of the group, 44 Spartans completed the full 20 mile course.

As the funds come in it appears that the Serrano group will have raised approximately \$1,000 for their cumulative 1,000 miles walked.

Montclair can be proud of teenagers like these.

Serrano walked

50 students from Serrano Junior High School joined the "Walk for Spastics," and their efforts netted an approximated \$1,000 for the Cypress Orthopedic Hospital. Showing off walking form from left Marlin Rhoads, Craig Medley and Dulce Marcello.

SERVICEMEN

Russell Jacobs

MONTCLAIR -- Army Private Russell L. Jacobs, son of Mrs. Dorothy Jacobs, Pomona and Marion L. Jacobs, Montclair, recently completed a Basic Army Administration Course at Fort Ord.

The course trains students as general clerks, clerk-typists and personnel specialists. They receive instruction in typing, filing, English grammar, preparation of correspondence and in the recording and use of Army personnel records.

Private Jacobs entered the Army in February, 1970.

WILLY SEZ

WHEN TO SPRINKLE

Although the time of day is not particularly important, early morning is preferable to midday, when water evaporates rapidly, and evening, when the turf stays wet longer and becomes susceptible to fungus disease. After breakfast and two hours or so after lunch are other favorable sprinkling times.

Vernon walked

Vernon Junior High School was also represented on area-wide Walk. Here, eighth grade student Martha Murchinson receives her check-off from check point number 16. The unidentified woman was one of many who manned the various check points for the event.

Postmaster notes mailing dates

* MONTCLAIR - Postmaster Anthony Zangri today urged residents of Montclair to "try to remember" that recommended mailing dates for civilian domestic Christmas mails start the first of December.

The national Christmas "mail early" theme this year, he explained, is based on the familiar musical tune "Try to Remember", and is featured in public service radio and TV announcements.

"The idea", he said, "is to have our customers remember recommended mailing dates. This will insure fast and efficient delivery of parcels and cards and prevent disappointment for friends and family members. Of course, it will also be a big help to your post office."

Zangri suggested latest dates by which Christmas mail should be deposited are as follows, but the postmaster urged customers to mail earlier whenever possible:

DOMESTIC MAILS (Except Alaska and Hawaii)		
	Parcels	Greeting Cards
Distant States	Dec. 1	Dec. 10
Local & Nearby Areas	Dec. 11	Dec. 15
ALASKA AND HAWAII		
	Parcels	Greeting Cards
Surface Mail	Nov. 30	Dec. 4
Airmail Mail	Dec. 14	Dec. 14

In addition, Zangri noted several key dates applicable to civilian international mail as follows:

- To Canada and Mexico - surface parcels, Dec. 4; greeting cards, Dec. 9; air parcels, Dec. 16.

- To South and Central America - surface parcels, deadline already passed; greeting cards, deadline was yesterday; air parcels, Dec. 14.

These same dates apply for the various types of mail for Europe. Dates for international mails to other parts of the world are usually posted in the post office lobby, but in case of question, the post office should be consulted.

The last possible dates for posting military mail are rapidly approaching, if the mail is to be received by Christmas. SAM deadline (space available parcels) has been set for Nov. 20, and PAL deadlines (parcel airlift service) are Nov. 27.

Further details on these basic parcel services for the military, as well as dates applicable to other mailings to servicemen are also available at the post office.

Postmaster Zangri also advised that all patrons take advantage of the green curbing in front of the post office, which has been specifically provided for postal patrons when the small parking lot is filled to capacity.

Readers' forum

Dear Editor:

I am writing to you in the hopes you will find space in your newspaper to publish the fact that there is a weekly, recreational swim program for physically disabled persons each Wednesday afternoon at Casa Colina Hospital in Pomona.

This program is made possible through the generous permission for the disabled to use the fine pool at Casa Colina, especially designed for use by the handicapped. It has an electric lift which enables swimmers to be placed in the pool and taken out, with no exertion.

The water is kept at a warm enough temperature to prevent chilling by persons who are unable to keep moving at the pace normally needed to circulate enough blood to keep the body warm. It has walking bars in the water for those able to, or wishing to use them.

Casa Colina has made the pool available to disabled swimmers once each week on Wednesday afternoons in two sessions, one from 4:15 to 5 and the second from 5 until 6 -- at no cost to the swimmer.

The Pomona Parks and Recreation Department provides a well qualified life guard for both sessions. A volunteer registered nurse is in the water at all times with the swimmers, assisting in any way she can. A number of people have volunteered to provide transportation for those unable to provide it for themselves. Underway for a year and a half, the program has

given many people some much needed exercise, as well as the fellowship so vital to the shut-in.

At this time there are openings for more swimmers. Each session can take twelve participants. Each person provides personal swim suit, cap and towels. We recommend a warm robe and rubber soled slippers to prevent any slipping on wet flooring, but they are not mandatory.

At the first session each swimmer is asked to sign a release form accepting their own risk for it would be impossible for the hospital to provide insurance for this program. The risk is minimal due to the fine help on hand, but the release slip is a requirement for participation in the program.

If anyone would care to take advantage of this program, please contact me, Lois Allen, chairman of the Recreational Swim Program for CONOD (Committee on the Needs of the Disabled) the organization sponsoring the program between 10 a.m. and 10 p.m. at 626-4979. I will be glad to answer questions and endeavor to secure transportation, if needed. We are anxious to see this program fully utilized which has been so generously made possible by Casa Colina, the Pomona Parks and Recreation Department, and the volunteers who give of their time.

Sincerely, Lois K. Allen

the holiday season because donations are used to help mankind in the fight against heart disease.

The Heart Chapter urges those desiring the greetings to order early as the supply is limited. Each year the demand is greater as the cards become more popular, as they are suitable for both business and individual use.

Recently 10,000 brochures were mailed to select individuals and groups who have expressed interest in the cards or have supported the Heart Association through special contributions.

The cards are avail-

able to the general public by contacting the Heart Association office at 760 North D Street, San Bernardino 92401.

Two selections of cards are on display at the Heart Chapter. They are available in multiples of 25 and as a bonus, 25 miniature

duplicates of the 4x9 inch cards will be included in each order of 100 cards.

Mrs. George Schnarre of San Bernardino, secretary of the Heart Association's board of directors, is chairman of the Christmas card project.

New laser versatile

BY BRIAN GALE

Alta Loma High's science department purchased a helium-neon gas laser in the fall.

William Kimmich, oceanography and physics teacher, said that the laser was used by the physics students for open house. They constructed a hologram.

This laser is designed expressly for use in secondary schools, being of low power, low cost, and high dependability. It is used to teach the principles of optics, such as interference, diffraction, geometric optics, and it can be used to construct and reconstruct holograms.

Teacher involves students

BY ROBIN STEWART, Alta Loma High School

Several articles on projects of Alta Loma's industrial art classes, have been submitted by Bob Fikes.

One article on a metal locator has been published in the September issue of School Shop.

This article describes the project involving students with complex studies in electronics and costs \$2.50 to construct.

Another article on a "Response Learning System" by Fikes will appear in the November issue of IAVE magazine.

The learning system designed by Fikes and constructed by his shop students is used as a testing aid in his classes.

Centered in a control box, with a series of lights for each student, this device records the percentage of correct answers to key questions.

Also included are chess timers, transistor testers, and electronic bongos.

Built from solid-state devices, many of these projects are not available on the public market, and are less expensive, yet comparable to more expensive machinery.

Fikes said, "Alta Loma High's shop classes are the most involved in the district."

Adult classes now open

The Chaffey High School Adult Evening School is registering adult for a new beginning typing class which started Monday, Nov. 16, and will continue for nine weeks.

The course is planned for the beginning student who wishes to develop skills in typing for personal or business use. The class will meet Monday and Wednesday evenings from 7 to 10 p.m. Five units of credit toward a high school diploma may be earned. There is a \$2 fee for supplies.

Other classes which adults may enter at this time are as follows: Citizenship - A study of U. S. Government and Citizenship requirements for the adult who wants to become an American citizen. The class meets Tuesday and Thursday evenings, 7 to 9 p.m. Office Machines - Tuesday or Thursday, 7 to 10 p.m. Fee \$3. Instruction and practice on rotary calculator, book-keeping machine, adding machine and printing calculator.

Creative Writing - Thursdays, 7 to 10 p.m. A class for the adult who wishes to explore new writing techniques.

Intermediate Conversational Spanish: Wednesdays, 7 to 10 p.m. For the adult who speaks some Spanish and desires to continue his study in the speaking of Spanish.

For additional information, adults may call the Adult School Office 983-2010.

Homecoming at Chaffey

Chaffey College's homecoming queen and court will be honored at a dance following the football game with Citrus College at Chaffey Saturday, Nov. 21.

The 10 p.m. until 1 a.m. dance in the campus center cafeteria will feature the music of The Answer. The five women making up the royal company are Beverly Fletcher, Ontario; Deborah Hodge, Corona; Karen Lopez, Ontario; Mona Murillo, Chino; and Bev Rogers, Upland. The queen will be designated on homecoming night.

Admission to the dance, which is limited to college-age guests is \$1 each with Associated Student Body card; \$1.50 without.

Birch Bayh will speak

A potential candidate -- one who is "keeping his option open" -- will appear Thursday, Nov. 19, at San Bernardino Valley College.

U. S. Senator Birch Bayh (D, Indiana) will appear on the college's Evening Forum Lecture Series at 7:30 p.m. in the school's auditorium. Admission is free.

Bayh has titled his presentation "The National Political Scene."

Now in his second term in the Senate, Bayh is perhaps best known outside his home state for his role in opposition to the confirmation of Judge Clement F. Haynsworth for a seat on the Supreme Court.

Bayh is also the author of the 25th Amendment to the Constitution, dealing with presidential succession and disability, and a prime mover in the campaign to replace the electoral college with a direct election.

First elected in 1962, when he barely beat veteran GOP Senator Homer Capehart, Bayh again figured in national news when he pulled Senator Edward F. Kennedy from a plane crash that claimed the lives of the pilot and a Kennedy aide.

A year after his 1968 re-election, Bayh told the Birmingham Post-Herald that he doubted that "lightning will strike" as to a presidential nomination, noting that he would not walk away from it, and adding, "I'm not ready to barnstorm the country, but I'll keep my options open."

NOTICE: Many listings in the "male" or "female" columns are not intended to exclude or discharge application from persons of the other sex. Such listings are for the convenience of readers because some occupations are considered more attractive to persons of one sex than the other. Discrimination in employment because of sex is prohibited by 1964 Federal Civil Rights Act with certain exceptions (and by the law of California). Employment agencies and employers covered by the Act must indicate in their advertisement whether or not the listed positions are available to both sexes.

1970 MODEL CLEARANCE

If you've been waiting to buy a new home because you wanted to pick up one of the professionally decorated and landscaped model homes, wait no longer — opportunity is knocking!

You see, we are starting our 2nd and 3rd units on several of our developments, and our marketing director has insisted we have brand new models for 1971 and that incorporate the latest style and color changes.

So, where does that leave us in the remaining weeks of 1970? — with several completely decorated, custom draped and professionally landscaped model homes to sell. The selection is tremendous, as we have . . .
